In order to realize the above vision and mission, certain shared values shall be nurtured. The Department shall be guided by the following core values:

- Democratization of quality education.
- Professionalism in the provision of education.
- Teamwork and participatory management in decision making.
- Creation of a conducive environment for quality teaching, research and consultancy.
- Provision of learner support services that include academic and psychosocial guidance and counseling support to our learners.
- Building of strong partnerships with all stakeholders.
- Creation of a conducive environment for staff to achieve the highest level of performance through quality training, development and commensurate compensation.
- Good corporate governance.
- Respect for and conservation of the environment.
